

AGING EYES

Dr. Amanda Hickman

Dr. Amanda Hickman earned her Bachelor's Degree in biology from the University of New Orleans in 2006. She earned her Doctor of Optometry Degree from the Southern College of Optometry in Memphis, TN in 2010 where she received extensive training in ocular disease, primary eye care, pediatric eye care, surgical co-management, specialty contact lenses and vision therapy.

She practiced at the Advanced Eye Institute in Cut Off, Louisiana for 6 years. She moved to Covington, Louisiana and opened her own practice in November 2017, St. Tammany Eye Care. She is passionate about improving the eye health of her patients and ensuring that they receive the highest level of care. Dr. Hickman enjoys being active in her community and also enjoys spending time with her husband John, and her 3 children, John, Abigail, and Ellie.
