

Women of Infinite Possibilities

is a group of women who want to touch the lives of one-thousand women in a powerful and meaningful way.

The Women of Infinite Possibilities are from all walks of life and meet regularly for socializing, networking, tackling community projects, workshops and most importantly, to explore their personal infinite possibilities.

This year, our Community Partners include:

Family Promise - Hosting whole families in need

James Store House - Helping foster children & foster families

Samaratin Center - Food Bank and Gran's Attic

Safe Harbor Northshore- Helping abused women

We hope you will support this event to help these groups while you socialize, network, and explore your own infinite possibilities at this fun filled day of speakers, entertainment, great food, a raffle and more.

We hope that after this event, you will consider becoming a member of Women of Infinite Possibilities. Throughout the year, we have monthly meetings with guest speakers, followed by the lunch bunch. We also have personal empowerment groups, adventures and more. We would be glad to have you join us. You can make new friends and be introduced to many business owners and representatives. It is a great place to network.
