President's Message:

Dear Members of Women of Infinite Possibilities,

Our October meeting is very important to the future of our organization. At our October meeting we will elect our new board and directors of 2018. We appreciate all of you that have nominated, volunteered and served our organization as being a past board member and member of W.I.P.

Also during this meeting we will listen to Community Partners nominated give a short presentation of the goals and missions of each organization. We will vote on four that we will adopt for the 2018 session.

Our nominations are for the following: the Samaritan Center, Kelly Kicking Cancer, Habitat for Humanities St. Tammany West, Miracle League Northshore, Children's Museum of St Tammany, Angels Grove Ranch, Life Skills Camp for Girls, Power of Positive Services and Northshore Enduring Hope. We have a great list of nonprofit organizations that are all doing wonderful things for our community. We appreciate your attendance to help us make a good decision on our future Community Partners.

You will also have the opportunity to pluck a feather from our Community Partners turkey. By choosing a feather you can help give back to our community by donating a gift.

Dress for Success- Debbie Mormino
Dressing for your Body type

Confidence-It is among the most important things that we must master in life. It can mean the difference between you and everything you want out of life. It takes confidence to step out of your house in the morning; it takes confidence to look in the mirror and like what you see; it takes confidence to trust yourself and nail that presentation at work. Building it is a lifelong task, but there are many ways you can increase your confidence on a daily basis, and it can make a huge difference. Gaining confidence with how you dress is one way and it will inform? It cannot be underestimated how much of an impact it will have on your prospects, your personality and the way the world perceives you.
